Price overview

and calculation examples 2027

It’s as easy as this

Step 1

Basic infrastructure

Does your car park already have basic infrastructure?
Then you’re ready for the next step.
→ Continue to point 2

Does your parking space not yet have basic infrastructure for a charging solution? Please contact your property management company or your landlord.

Step 2

Charging station

Once you have placed your order, which you can do conveniently online, we will equip your parking space with one of our charging stations.

Charging station – Purchase	Charging station – Rental
One-time purchase of a charging station, including installation and commissioning from existing basic infrastructure **CHF 2,290.00** (plus a one-off activation fee of CHF 80)	Rent a charging station for minimum term of 12 months. Including installation and commissioning from the existing basic infrastructure. **CHF 32 per month** (plus a one-off activation fee of CHF 80)

Step 3

Flat-rate service charge

We offer the following basic services so that you can charge without any worries:

- ✔ Billed quarterly
- ✔ System monitoring included
- ✔ Telephone support during office hours
- ✔ On-site troubleshooting
- ✔ Access to the ewl charging app

CHF 9.15 per month (plus charging energy*)

*The price of the charging energy corresponds to the energy costs of the local energy supplier at the location of the charging station.

Step 4

Accessories

With the right accessories, you’re ready to charge.

Charging cable	Adapter cable	Wall bracket
Type 2 to type 2 charging cable for 22 kW, length 5.0 m CHF 179 **Type 2 to type 2** charging cable for 22 kW, length 8 m CHF 199	**Type 2 charging cable** to T23 domestic socket, e.g. for vacuum cleaners, e-bikes, etc. CHF 169	**Holder** for charging cables CHF 55

All prices excl. VAT. Prices and terms and conditions are valid from 1 January 2026 until they are replaced by new ones. The general terms and conditions of ewl energie wasser luzern dated January 2026 apply.

Examples of calculations from everyday life

Monthly costs when purchasing the charging station		
Flat-rate service charge CHF 9.15		
Charges for charging energy**	CHF	57.60
Plus 8.1% VAT	CHF	5.40
Total (incl. VAT)	**CHF**	**72.15**
Cost per 100 km when purchasing the charging station	**CHF**	**7.20**

Monthly costs when renting the charging station		
Charging station rental	CHF	32.00
Flat-rate service fee	CHF	9.15
Charges for charging energy**	CHF	57.60
Plus 8.1% VAT	CHF	8.00
Total (incl. VAT)	**CHF**	**106.75**
Cost per 100 km when renting the charging station	**CHF**	**10.70**

**Assumption of annual mileage: 12,000 km; assumption of consumption: 20 kWh/100 km (equivalent to a monthly energy consumption of 200 kWh)

Are you interested in the mobility of the future? We would be happy to advise you and work with you to find the best solution.
