

ewl

## Driving with electricity

The filling station for your home –  
with the easee Charge Pro charging station

## The ewl easee Charge Pro charging station to rent or buy

### Your benefits

- ✓ No major investments required when renting
- ✓ Only one-off investments when purchasing
- ✓ Charge your vehicle directly at your own parking space
- ✓ Intelligent charging management included
- ✓ Safety through built-in protective devices
- ✓ Suitable for all electric vehicles
- ✓ Five-year warranty on the charging station

Our charging station enables you to charge five times faster and safer than with a standard socket. If you charge your electric car at 11 kilowatts, you'll be able to drive another 100 kilometres after less than two hours of charging.

### Safety first

Electric vehicles can be charged at high power levels. The certified charging station with built-in protective devices ensures the safety of users and electric vehicles at all times.

### Technical information

- Maximum charging capacity: 22 kW
- Charging socket: Type 2
- Precise energy measurement with integrated MID counter
- Built-in contactless charging card reader (RFID)
- Multi-level anti-theft protection
- Automatic firmware update
- Remote monitoring for reliable operation
- Future-proof thanks to standard interfaces

### Available accessories

- Type 2 to type 2 charging cable for 22 kW, length 5 m
- Type 2 to type 2 charging cable for 22 kW, length 7.5 m
- Type 2 charging cable to household socket T23, e.g. for vacuum cleaners, e-bikes, etc.
- Wall bracket for charging cable

## Prices and additional information

You can find information on the prices and monthly costs of an easee Charge Pro charging station in conjunction with an ewl charging solution in the separate price brochure.

A charging station from ewl will prepare you for the mobility of the future. It's a great feeling to be able to start the day fully charged.

Are you interested in the mobility of the future? We would be happy to advise you and work with you to find the best solution.
